# WHO WE ARE

CHILL OUT WITH EASY, QUICK  
AND DELICIOUS FOOD

Introducing

IndiFrozen is an extensive range of ready to cook and ready to eat frozen foods. With an exquisite range of appetizers and bite size snacks with a delectable and wide range of gravies and sauces for a variety of breads which are inevitable part of any Indian cuisine.

The products are specially designed and carefully handcrafted to serve Restaurateurs, QSRs and target Caterers locally as well as globally. As the inclination towards the frozen food is increasing day by day and to consistently satisfy taste buds in the most economical and convenient way possible, our range of products is the perfect solution for the brands who strive to provide the best quality, high in nutrition, hygienic and competitively priced food to their customer by meeting their ever-changing demands and thereby building loyalty.

Packaging is also thoughtfully designed which can be delivered as per customer needs and requirements.
